2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

FORT WILLIAM,
POLITICAL DEPARTMENT,
THE 24TH FEBRUARY, 1842.

The following Commercial Treaty, concluded between Great Britain and Persia, is published for general information, by order of the Right Honorable the Governor General of India in Council:

PREAMBLE.

Whereas by the benign favour of the one Almighty God whose bounties are infinite from the day on which the treaty of friendship and attachment was concluded between the glorious States of Great Britain and Persia, the renowned and just Sovereigns of the two everlasting States have day by day, and at all times, attended to and observed the whole of its articles and stipulations, and have caused the subjects of both Governments to enjoy all its benefits and advantages except the Treaty of Commerce, which in the Preamble of the Treaty of the year one thousand eight hundred and fourteen, the two Governments engaged to conclude, and which up to this time, for certain reasons, has been postponed and left unfinished, therefore in this fortunate year, that all the stipulations of the auspicious Treaty may be fulfilled, His Majesty the Shah of Persia has appointed His Excellency Hajee Meerza Abul Hussan Khan, His Majesty's Secretary of State for Foreign Affairs, to be His sole Plenipotentiary, and Her Majesty the Queen of Great Britain and Ireland, and Sovereign of India, has appointed Sir John McNeill, Knight Grand Cross of the Most Honorable Order of the Bath, H. M.'s Envoy Extraordinary and Minister Plenipotentiary to the Court of Persia, to be Her sole Plenipotentiary, and the said Plenipotentiaries having concluded a Commercial Treaty in these two Articles, have annexed and united it to the original Treaty, that by the aid of God it may henceforth be observed between the two Governments, and be a source of advantage to the subjects of both.

ARTICLE I.

The Merchants of the two mighty States are reciprocally permitted and allowed to carry into each other's Territories their Goods and Manufactures of every description, and to sell or exchange them in any part of their respective countries, and on the Goods which they import or export Custom duties shall be levied, that is

to say, on entering the Country the same amount of Custom duties shall be levied once for all that is levied on Merchandise imported by the Merchants of the most favoured European Nations, and at the time of going out of the Country, the same amount of Custom duties, which is levied on the Merchandise of Merchants of the most favored European Nations, shall be levied from the Merchants subjects of the High Contracting Parties, and except this no claim shall be made upon the Merchants of the two States in each other's dominions, on any pretext, or under any denomination, and the Merchants or persons connected with or dependent upon the high contracting parties in each other's dominions mutually shall receive the same aid and support, and the same respect which is received by the subjects of the most favored Nations.

ARTICLE 2.

As it is necessary for the purpose of attending to the affairs of the Merchants of the two parties respectively, that from both Governments Commercial Agents should be appointed to reside in stated places, it is therefore arranged that two Commercial Agents on the part of the British Government shall reside, one in the Capital and one in Tabreez, and in those places only, and on this condition that he who shall reside at Tabreez, and he alone shall be honored with the privileges of Consul General; and as for a series of years a Resident of the British Government has resided at Bukhara, the Persian Government grants permission that the said Resident shall reside there as heretofore, and in like manner two Commercial Agents shall reside on the part of the Persian Government, one in the Capital of London, and one in the port of Bombay, and shall enjoy the same rank and privileges, which the Commercial Agents of the British Government shall enjoy in Persia.

This Commercial Treaty we, the Plenipotentiaries of the High Contracting Parties have agreed to, and in witness thereof have set thereunto our hands and seals at the Capital City of Tehran, this Twenty-eighth day of October, in the year of our Lord One Thousand Eight Hundred and Forty-one, corresponding to the Twelfth day of the month Ramazan, in the year of the Hejira 1257.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via Falmouth, will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

For Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bill, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandize consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS FOR MAKING ADVANCES IN INDIA AND CHINA, UPON

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March 1842.

ACT No. — of 1842.

An Act concerning the acquirement and extinction of rights by prescription in the territories subject to the Government of the East India Company, without the local jurisdiction of Her Majesty's Courts, at Calcutta, Madras, and Bombay, and in the Straits Settlements; and for the limitation of Suits in the Courts of the East India Company.

Prescription.—Section I. It is hereby enacted, that subject to the exceptions hereinafter mentioned, a title by prescription shall be acquired in respect of property, moveable and immoveable, and hereditary offices, by uninterrupted possession, mediate or immediate, as proprietor, for six years, in the case of moveable property, and for twelve years in the case of immoveable property and hereditary offices; provided that if any other title be proved, the possession shall have been adverse thereto—and provided that nothing herein contained shall be construed to affect any right arising from possession of moveable property now recognized by Law.

Section II. And it is hereby enacted, that in the case of any benefits, liberties, or privileges, derived out of, or affecting any immoveable property which shall have been enjoyed without interruption for twelve years, a right to the enjoyment thereof against the owner of the property shall be acquired by prescription, subject to the exceptions hereinafter mentioned, unless such benefits, liberties, or privileges shall have been enjoyed by some consent or agreement expressly given or made for that purpose by some Deed or writing.

Section III. And it is hereby enacted, that when a right to any such benefits, liberties, or privileges, as aforesaid, whether acquired by prescription or otherwise, shall have been disused for twelve years, the right shall be extinguished.

Section IV. And it is hereby enacted, that when a party shall have been forcibly dispossessed of immoveable property, or shall have been prevented from enjoying some benefit, liberty or privilege, derived out of, or affecting immoveable property, and shall have applied within the time limited by any law now in force, or within one month, to the

proper authority, for assistance to recover the possession or the use thereof, and shall have recovered the same—the period during which his possession or enjoyment was interrupted in such manner shall not be considered an interruption within the meaning of this Act.

Section V. And it is hereby enacted, that when the possession upon which a title by prescription is claimed shall have been acquired by the deprivation of another party who was previously in possession, or in opposition to a title which had accrued but upon which possession had not been taken, or having been taken had been previously interrupted, it shall be deemed adverse in respect of the party so deprived of possession, and of any one claiming in the same right, or in respect of the parties interested in the said title, as the case may be, from the time at which the possession actually commenced; and that when an adverse title shall have accrued after the possession was acquired, the possession shall be deemed adverse to the parties interested therein from the time at which such title accrued.

Section VI. And it is hereby enacted, that possession acquired by a bona fide purchaser for valuable consideration from a Trustee, or from a Depository or Mortgagee, shall be deemed adverse to the Mortgagor, or Depositor, or Beneficial Owner under the Trust, from the time of the acquisition by purchase.

Section VII. And it is hereby enacted, that a title by prescription shall be acquired by possession by or through a Depository or Mortgagee which shall have continued without interruption, for thirty years in the case of moveable property, and sixty years in the case of immoveable property, unless in the mean time an acknowledgment of the title of the Mortgagor or Depositor, or of his right of redemption, shall have been given to him or some person claiming his interest, in writing signed by the Mortgagee or Depository or the person claiming through him, in which case prescription shall not take effect until possession shall have been had without interruption for 30, or 60 years, as the property may be moveable or immoveable, from the date of such acknowledgment.

Section VIII. And it is hereby enacted, that in the case of a concealed fraud by which a party shall have been deprived of any property, the possession thereof shall not be deemed adverse to the party entitled until the time at which such fraud shall or with reasonable diligence might have been first known by him, except when it shall have

been acquired by a bonâ fide purchaser for a valuable consideration, or when a party shall have succeeded to it by inheritance or devise : in the former case adverse possession shall be deemed to have commenced from the time that the party entitled was deprived of the property by means of such fraud—in the latter from the time of the succession—provided it shall not appear that the party to whom the possession devolved assisted in the commission of the fraud, or at the time he entered into possession knew, or had reason to believe that the fraud had been committed.

Section IX. And it is hereby enacted, that when a party having a right to any Estate or interest in reversion or remainder shall have become entitled to the same in possession by reason of any forfeiture or breach of condition, but shall have waived his action to recover thereupon, possession shall not be deemed adverse to him or any party claiming in the same right until the determination of the previous right.

Section X. And it is hereby enacted, that suits other than for property and rights to which the above rules are applicable shall not be admitted in the Courts of Judicature of the East India Company except as hereinafter provided, unless they are instituted respectively within the period specified in the following Section.

Section XI. First. Within one year from the time the cause of action arose.

Suits for penal damages or pecuniary penalties, or forfeitures, for the breach of any law or regulation.

Suits for damage for injury to the person and personal property or to the reputation.

Suits for debt, on account of wages of servants, artisans, and labourers ; for hire of animals and vehicles ; for retail supplies of victuals and articles of daily consumption ; for tavern bills and bills for board and lodging, and for lodging only ; for the rent of building ; and on any other account subject by established custom to settlement by the month, or a shorter period.

Suits to alter or set aside summary decisions or orders of the ordinary Courts of Judicature.

Suits to alter or set aside summary awards by Collectors and other Officers of Revenue, in disputes regarding arrears and exactions of rent.

Suits founded on the right of pre-emption in cases to be governed by a law or usage which recognizes such right.

Second. Within six years from the time the cause of action arose.

All suits for debts and damages, upon contracts, or for wrongs, other than are described in Clause first of this Section ; and for the enforcement of contracts.

Third. Within twelve years from the time the cause of action arose.

Suits for the recovery of Legacies.

Section XII. Provided, that suits against Trustees shall not be barred by any length of time.

Section XIII. And provided that whereby any law a shorter period is specially prescribed for the institution of a particular suit, the limitation so prescribed shall still be observed notwithstanding this Act.

Section XIV. 1st. And it is hereby enacted,—with respect to suits for the recovery of legacies

and for debts that if an acknowledgment shall have been made by the party liable within the period of limitation applicable to the case, either by writing signed by him, or by part payment or part satisfaction on account of principal, or interest due thereon, then a new period of limitation shall be reckoned, according to the nature of the case from the date of such acknowledgment, or payment or satisfaction.

2d. Provided that if there be two or more parties liable no one of them shall be chargeable by reason only of a written acknowledgment made or signed by any other.

Section XV. And it is hereby enacted, that in suits for balances upon accounts current between Merchants and Traders who have had mutual dealings, the period of limitation shall be computed from the close of the year in the accounts of which there is the last entry indicating the continuance of mutual dealings ; reckoning the year as it is reckoned in the accounts.

Section XVI. And it is hereby enacted, that in suits for damages for wrong done by a concealed fraud the cause of action shall be deemed to have first arisen at the time at which such fraud shall or with reasonable diligence might have been first known by the party wronged.

Section XVII. And it is hereby enacted, that in computing the periods of prescription specified in Sections I. and II. the time shall be excluded during which some party entitled to interrupt the possession or enjoyment shall have been under the disability of infancy or unsoundness of mind, or shall have been absent out of the Territories of the East India Company, and the contiguous Territories, and the Island of Ceylon, provided that no longer time than 18 years shall be excluded on account of any such disability, and no longer time than 5 years on account of such absence, and provided that the absence shall have been continuous from the time the title accrued.

Section XVIII. And it is hereby enacted, that in computing the period of prescription specified in Section I. in the case of moveable property the time shall be excluded during which the party in possession shall have been absent out of the Territories of the East India Company.

Section XIX. And it is hereby enacted, that in computing the periods of prescription specified in Sections I. and II. the time shall be excluded during which any suit brought bonâ fide to interrupt the possession shall have been pending and shall have been diligently prosecuted in any Court of Judicature which from defect of jurisdiction or other cause shall have been unable to decide upon it, or shall have passed a decision which shall have been annulled on appeal for any such cause.

Section XX. And it is hereby enacted, that the provision of Section III. shall not have effect when the party entitled to use the benefits, liberties or privileges therein referred to, shall have been under any of the disabilities specified in Section XVII., except as subject to the provisions contained in that Section.

Section XXI. And it is hereby enacted, that in computing the periods of limitation specified in Section XI. the time shall be excluded during which the claimant or any person through whom he claims shall have been under the disability of infancy or unsoundness of mind ; provided in respect of the suits described in Clauses 2 or 3 of the said Section that no longer time than 18 years shall be so excluded ; and

in respect of the suits specified in Clause I. of the same Section, excepting suits for penal damages, that no longer time than 5 years shall be so excluded: provided further, that suits for penal damages shall never be admitted after the expiration of 1 year.

Section XXII. And it is hereby enacted, that in all suits described in Section XI. except suits for penal damages, when the claimant or the person through whom he claims shall have been absent out of the Territories of the East India Company, and the contiguous territories and the Island of Ceylon, at the time the cause of action arose, and shall have continued so absent, the time of such continued absence shall be excluded in computing the prescribed period of limitation, provided that no longer time than 5 years shall be so excluded.

Section XXIII. And it is hereby enacted, that in all suits described in Section XI. the time during which the defendant shall have been absent out of the Territories of the East India Company, shall be excluded in computing the prescribed period of limitation.

Section XXIV. And it is hereby enacted, that in computing the period of limitation applicable to any case the time shall be excluded, during which the claimant or the person through whom he claims shall have been engaged in prosecuting a suit upon the same cause of action against the same party or some party whom he represents, bonâ fide and with due diligence, in any Court of Judicature, which from defect of jurisdiction or other cause shall have been unable to decide upon it, or shall have passed a decision which on appeal shall have been annulled for any such cause.

Section XXV. And it is hereby enacted, that when by the provisions of this Act a person is barred from bringing a suit for the recovery of any legacy, debt, or damages, his right to the legacy, debt, or damages, for which a suit might have been brought by him, but for those provisions, shall be extinguished unless such right is secured by some mortgage, pledge or lien.

Section XXVI. And it is hereby enacted, that no complaint or information shall be proceeded upon by any Magistrate or Justice of the Peace against any person for any offence punishable by fine only, or by any Officer of Revenue against any person liable to any penalty or forfeiture, unless such complaint or information shall have been received within one year from the commission of the act charged, or within any shorter period that may be prescribed by any existing law for preferring such complaint or information.

Section XXVII. And it is hereby provided, that this Act shall not be construed to affect the provisions of Section X. Regulation XIX. 1793, extended to Cuttack by Section XXIV. Regulation XII. 1805, Section X. Regulation XLI. 1795, and Section VI. Regulation XXXI. 1803, extended to the Territories ceded by Dowlut Rao Scindiah and the Peishwah by Section XXI. Regulation VIII. 1805 of the Bengal Code.

Section XXVIII. And it is hereby provided, that this Act shall not extend to any public property or right, nor to any suits for the recovery of the public Revenue, or for any public claim whatever.

Section XXIX. And it is hereby enacted, that all suits that may be now pending or that may be instituted within the period of 6 months from the date of the passing of this Act shall be tried and determined as if this Act had not been passed.

Section XXX. And it is hereby enacted, that the provisions of this Act concerning the acquisition and extinction of rights shall not be of force in respect of any property situated or being within the local jurisdiction of Her Majesty's Supreme Courts at Calcutta, Madras and Bombay, and of the Recorder's Court in the Straits of Malacca, and that the Rules of limitation contained in this Act shall not be applied to any suits or actions in those Courts.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council after the 21st day of June next.

Secy. to the Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March, 1842:

ACT No. — OF 1842.

An Act for extending the Statute Ch. XXI. 4th and 5th of Queen Victoria in certain cases to the Territories of the East India Company.

I. It is hereby enacted, that the Statute Ch. XXI. of the 4th and 5th years of the reign of Queen Victoria, entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of July next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, and shall be expressed to be made in pursuance of this Act, shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any

mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if

the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

Ordered, that the Draft now read be published for general information.

WEDNESDAY, MARCH 30, 1842.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March 1842.

ACT No. — OF 1842.

An Act concerning the acquisition and extinction of rights by prescription in the territories subject to the Government of the East India Company, without the local jurisdiction of Her Majesty's Courts, at Calcutta, Madras, and Bombay, and in the Straits Settlements; and for the limitation of Suits in the Courts of the East India Company.

Prescription.—*Section I.* It is hereby enacted, that subject to the exceptions hereinafter mentioned, a title by prescription shall be acquired in respect of property, moveable and immoveable, and hereditary offices, by uninterrupted possession, mediate or immediate, as proprietor, for six years, in the case of moveable property, and for twelve years in the case of immoveable property and hereditary offices; provided that if any other title be proved, the possession shall have been adverse thereto—and provided that nothing herein contained shall be construed to affect any right arising from possession of moveable property now recognized by Law.

Section II. And it is hereby enacted, that in the case of any benefits, liberties, or privileges, derived out of, or affecting any immoveable property which shall have been enjoyed without interruption for twelve years, a right to the enjoyment thereof against the owner of the property shall be acquired by prescription, subject to the exceptions hereinafter mentioned, unless such benefits, liberties, or privileges shall have been enjoyed by some consent or agreement expressly given or made for that purpose by some Deed or writing.

Section III. And it is hereby enacted, that when a right to any such benefits, liberties, or privileges, as aforesaid, whether acquired by prescription or otherwise, shall have been disused for twelve years, the right shall be extinguished.

Section IV. And it is hereby enacted, that when a party shall have been forcibly dispossessed of immoveable property, or shall have been prevented from enjoying some benefit, liberty or privilege, derived out of, or affecting immoveable property, and shall have applied within the time limited by any law now in force, or within one month, to the

proper authority, for assistance to recover the possession or the use thereof, and shall have recovered the same—the period during which his possession or enjoyment was interrupted in such manner shall not be considered an interruption within the meaning of this Act.

Section V. Section IX. And it is hereby enacted, that when a party having a right to any Estate or interest in reversion or remainder shall have become entitled to the same in possession by reason of any forfeiture or breach of condition, but shall have waived his action to recover thereupon, possession shall not be deemed adverse to him or any party claiming in the same right until the determination of the previous right.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March, 1842:

ACT No. — OF 1842.

An Act for extending the Statute Ch. XXI. 4th and 5th of Queen Victoria in certain cases to the Territories of the East India Company.

I. It is hereby enacted, that the Statute Ch. XXI. of the 4th and 5th years of the reign of Queen Victoria, entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of July next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, and shall be expressed to be made in pursuance of this Act, shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any

mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of June next.
